

Children's Menu

You know your children better than anyone, which is why we have decided to give you complete control on what they eat for the duration of their holiday.

Pick and choose from the following items to build a menu that not only satisfies your want for a balanced and nutritious diet for your child but is also something that they will actually want to eat!! Please note: The menu selection must be the same for all children in the party for each mealtime.

How it works:

Pick an item from either the Meat and Fish section, OR the Bakes Pasta and Noodles Section.

Then pick 2 accompaniments if you've chosen Meat or Fish, or 1 accompaniment if it's a Bake.

Finally, pick a dessert to go with the meal!

We work on a 5-day catered week, so you've got 5 different menu creations to play with!

It's as easy as **1, 2, 3...**
